

The official visit of
Lieutenant General Lasantha Rodrigo RSP ctf-ndu psc IG
Commander of the Sri Lanka Army
on 08 February 2025
to Security Force Headquarters (Wanni)

I am impressed by the arrangement made and hospitality extended by the Security Force Commander Wanni on my maiden visit to Security Forces after assuming duties as the 25th Commanded of the Army. I am deeply touched with the duties carried out by his under command to maintain the Security/MACA and civil affairs for the purpose of reconciliation. I wish all success in all their future endeavours.
All the Very Best.
